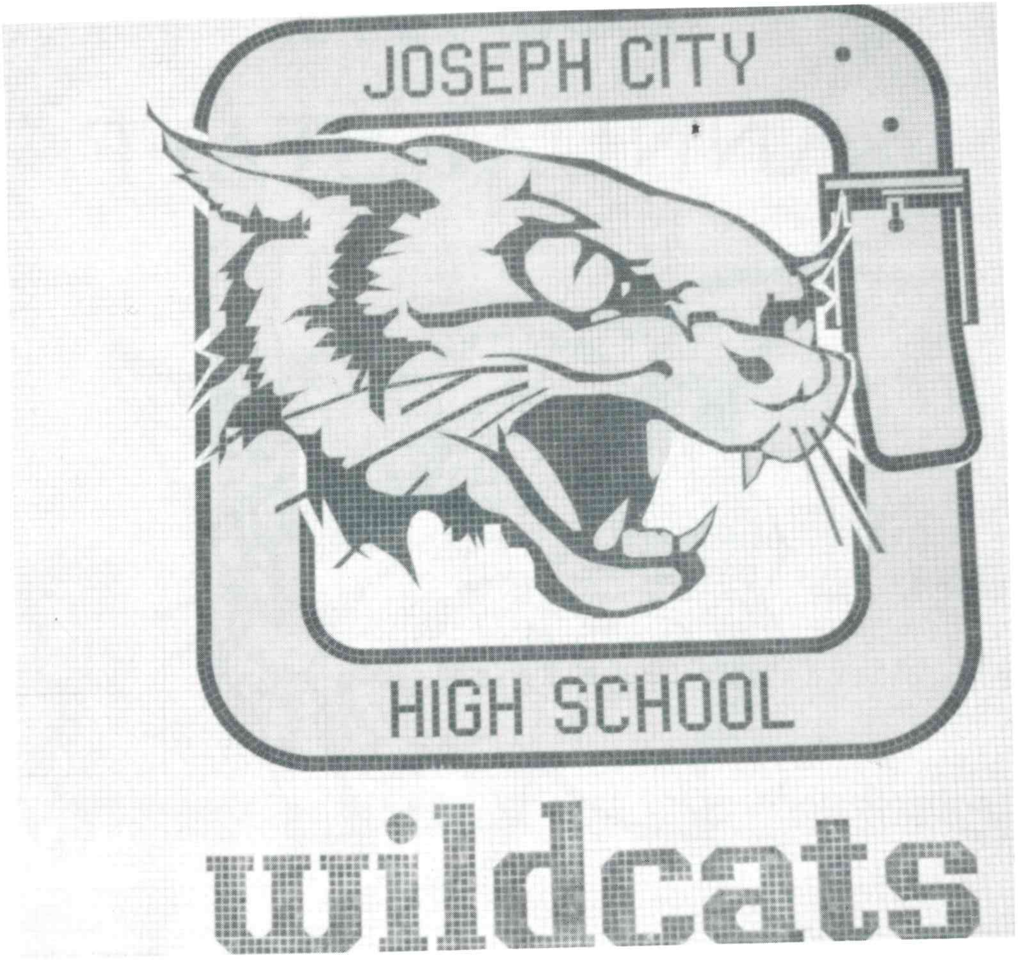
1993 YEARBOOK DEDICATION



During the school year of 1944, a teacher by the name of Mrs. Estelle Thomas was teaching in Joseph City and she decided that she wanted to have a school paper and that they needed a name for the paper, so she sponsored a contest to name the school paper. Jay Turley, who is the current Navajo County Recorder was a freshman in high school at that time and he won the contest by submitting the name "Wildcat Journal". Mrs. Thomas painted a big wildcat face on the big bass drum they used for their band and the name "Wildcats" has been our school mascot for almost 50 years.

There were 7 students in the freshman class that year, they were-Hal Porter, Eldon Shelley, Mildred McLaws, David Randall, Doyle Randall, Doyle Hansen and Jay Turley. Some of these former Students have children and grandchildren attending JCHS at this time.

Old Years and New

The best of what there is to be,
the best of what is gone —
Let's bury all the failures in the
dim and dusty past
And keep the smiles of friendship
and laughter to the last.

Old years and new years, life's in the
making still;
We haven't come to glory yet, but
there's the hope we will;
The dead old year was twelve
months long, but now from it
we're free,
And what's one year of good or bad
to all the years to be?

Old years and new years, we need
them one and all
To reach the dome of character and
build its sheltering wall;
Past failures tried the souls of us,
but if their tests we stood,
The sum of what we are to be may
yet to be counted good.

Old years and new years, with all
their pain and strife,
Are but the bricks and steel and
stone with which we fashion life;
So put the sin and shame away, and
keep the fine and true,
And on the glory of the past let's
build the better new.

He Is Only A Boy

Please don't curse that boy down there,
He is my son, you see;
He's only just a boy, you know,
And he means a lot to me!
I did not raise my son, sports fans,
For you to call him names.
He may not be a superstar,
But it's only just a game.
Please don't curse the boys down there,
They do the best they can,
They never tried to lose the game,
They're boys and you're a man.
The game belongs to them, you see,
And you are just a guest;
They do not need a fan like you,
They need the very best!
If you have nothing nice to say,
Please leave the boys alone;
And if you can't enjoy the game,
Why don't you stay at home?
So please don't curse those boys down
there,
Each one's his parent's son;
And win, or lose, or tie, you see
To us — They're "NUMBER ONE!!"

1992-'93 SOFTBALL

Run, get it, Hurry!!!

Nice slide!!!

FIRST TEAM

They asked if they
could play one day-
and had to all sign up.

Hopes were high they'd
make it fly, 'cuz they
wouldn't just hush up.

So with a few to make
a team, they held together
through all extremes.

Start up wasn't easy,
there was way too much strife-
but they played softball
anyway . . . and had the time
of all their lives.

This game had never been
played here at JCHS.

So HISTORY was made here
by chance you hadn't guessed.

Once a first team always
a first team-so I would
surely bet, that *you* will
be remembered because *you*
will not forget.

Homecoming '92 was definitely "All Pumped Up." It all began with Toga Day, which soon led to Caveman Day. We heard true talk from the football players as most just grunted and showed their fierce sides. Thursday we had Blue & Gold Day, then Friday Dress-Up Day.

Friday night we had the football game in which, although we tried our hardest we were just outnumbered. Saturday we held a Homecoming Dance which ran the theme: "I'll Die Without You." The King and Queen were Sam Johnstun and Dana Smith. Junior attendants were Elizabeth Hansen and Jordan Miller. Sophomore attendants were Hank Jansen and Jolene Lacey. Freshman attendants were Gary Rice and Abbie Richards.

SCOTTSDALE MEMORIAL HOS

Mentoring at Scottsdale Hospital

This year's health club was better than ever. The health club went on lots of fun trips and they learned a lot of new things that they will benefit from in future years. At Scottsdale Memorial Hospital a birth of newborn baby girl was witnessed and several patients were brought back to life, in front of amazed students. Surgeries were watched at St. Joseph's Hospital and Phoenix's Childrens Hospital was also an experience to remember. All in all this year's health club was exciting as well as rewarding. Thanks to Janie Miller for making it an experience that we'll never forget!!

Hi everyone!! This year's yearbook got off to a really slow start and I'm really surprised that we got it finished!! Despite the fact that we had to retake a lot of the pictures, I guess it turned out all right. I hope that this years book brings back a lot of fun memories and that you'll treasure them always. Good luck in all you do and good luck to next year's editor! It's a lot of hard work and thanks to this past year's staff for helping me and to Mr. Conroy Thanks for putting up with me!!
